ANGELO VASSILIADIS AUSTRALIAN SCHOOLBOYS' CHAMPION BOXER

Sixteen-year-old Angelo Vassiliadis of Hearn Street, Altona North, is the new Australian Schoolboys champion in the light-weight division.

In Sydney last week at the Australian title matches he defeated aborigine lad Victor Heppit of N.S.W. who had not been beaten in his previous twelve fights. They fought a three round bout and the result was a unanimous, decision by the judges.

Angelo boxes with the Altona Youth Club and is a student at Altona North Technical School.

Another 16-year-old lad from the same club and school, Steve Siperki of Little Street, West Newport, was runner-up in the bantamweight division.

He was unlucky to lose the final against more experienced New South Wales boxer Neville Short who has had more than 70 fights. It was a split decision and Steve lost on the casting vote.

Both these boys will be boxing this Friday night (May 22) at a tournament in the technical school assembly hall.

The sixteen bouts will start at 8 p.m. and boxers will range from paperweights (5 stone) to light middleweights (11 stone).

Some of the best boys in the western suburbs and

from as far as Langwarrin will be appearing. Tickets at \$1 for adults, 50 cents for school children under 15, will be available at the door. Ringside seats will be \$1 each for adults and children — no half price.

Sports Centre Talks

A deputation from Altona North Soccer Club met Altona Council's General Purposes Committee to discuss the club's proposal to build an Italian Sports Centre on the P. J. Lynch Reserve.

The club at present has use of the reserve, but as the proposal includes substantial buildings and playing areas, the club wishes to obtain a lengthy lease.

The deputation told Council the club had \$3,000 to spend on the ground at the moment and membership was open to all nationalities. At present it has 65 registered players.

Council will review the club's application for a longer lease in 12 months.

Flats Are O.K.

Altona Council has approved applications to erect two 2-storey blocks of flats.

R. and M. Giunta, Blackshaws Road, Altona North, have permission to build three flat units on land at the north side of Hearn Street, and N. Athanastasio, Queen Street, has permission to build nine flat units on land in Queen Street, east of Webb Street. Dwellings at present on the sites will be demolished.

An application by Mr. N. A. Webster to strata subdivide land in First Avenue, Altona North, has been referred to Altona's Building Surveyor, Mr. A. Beech, for comment. A maisonette building is on the site.

Objection To Car Park

The Public Reserves Protection League has protested to Altona Council over the Altona Yacht Club's application for a "Members Only" car park on the foreshore.

The League told Council it believes all public reserves should be for the use of all members of the public, not a select few.

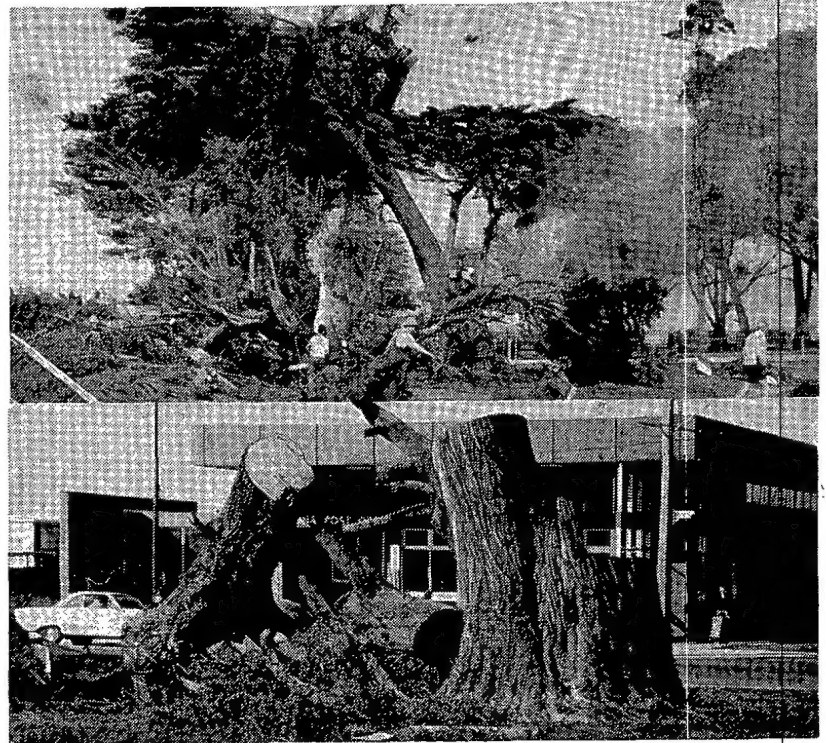

"Victoria's population is increasing at a very rapid rate, yet our investigations prove that public reserves and access roads are decreasing at the rate of approximately three or four a week," the League told Council.

Cr. W. L. Crofts moved that Council note the League's protest and thank it for its interest.

The City Engineer, Mr. R. Simmons, said the Council had already indicated to the Yacht Club that it could lease an area sufficient for it to maintain its buildings and ensure they were safe.

"I feel it would be wrong for the Council to give any club exclusive right to any huge area," Mr. Simmons said.

Altona Loses Landmark

Top picture was taken when part of the old tree had been felled
Below is the trunk from which the "wheels" to be preserved and put on display were cut from near the base.

A bit of Altona's history came down last week when the old cypress pine tree at the corner of Pier and Queen Street was cut down and up rooted to make way for Woolworths new store.

This was the oldest tree in Altona said Mr. Norm Boyd, superintendent of Altona's parks and gardens.

But, he added, it had just about lived its life as have the other pine trees in Logan Reserve.

Not many of these trees, which probably were planted by Altona's first settlers, remain. Up to 30 years ago

they were still growing along the middle of some streets — they were cleared from Davies and Rose Streets to make way for street construction.

But the old tree which had grown to between 30 and 40 feet high and which for many years provided shelter for horses drinking from the once nearby horse trough will not be gone and forgotten.

Yesterday the trunk was sawn up at the Council depot in Civic Parade by well-known wood chop champion Jack O'Toole.

He cut two large wheels each about 9' deep from the thickest part of the trunk which proved to be 8' 4½" by 4'6".

The wheels are to be preserved and put on display by the Altona Historical Society at The Homestead.

For two months they will be immersed in a wax solution to prevent cracking and shrinking which occurs in drying out.

Later they will be polished and it is hoped the age of the tree can be determined.

The large base of the tree could be trimmed and placed in one of the kindergarten playgrounds for pre-schoolers to climb over suggests the City Engineer, Mr. Ralph Simmons.

Wood chop champion Jack O'Toole did not use his axes for this task. He mainly used a chainsaw with a five feet long cutter bar, finishing with a smaller one with a 33 inch cutter. It took only a matter of minutes to slice through the thick trunk.

Father Nooney— Guest Of Honour

Father James Nooney, Pastor Emeritus of the Parish of St. Mary's, was guest of honour at a dinner arranged by His Worship, the Mayor of the City of Altona, Councillor P. A. Burns, on Wednesday night last.

All Councillors, together with the Executive Officers, Mr. J. W. Waters, Town Clerk and Mr. R. C. Simmons, City Engineer, were in attendance and almost all of the Ministers of the Churches within the City also attended.

Each person present eulogised Father Nooney's activities as a Churchman and a citizen and the Mayor took the opportunity to present a pair of gold cuff links bearing the insignia of the City of Altona, to Father Nooney, as a token of esteem and respect from the Mayor and Councillors. This was the first time that a pair of gold cuff links bearing Council insignia had been presented to anyone.

Father Nooney, in his response, outlined the progress which he had seen in the development of the Church and the area in the time that he had been in Altona. He pointed out that it was progress which had caused him to retire and it was due to the activity of the people who comprised the Church and the area, that both had progressed together.

Apologies for inability to attend were received from the Rev. D. McKnight Jones, Presbyterian Congregation, Altona North, Rev. Alan Baxter, St. Luke's Anglican

Seated at the large open square table are (clockwise) His Worship, The Mayor of the City of Altona, Councillor P. A. Burns, J.P., the guest of honour, Father James Nooney, Councillor D. K. Grant, J.P. (Deputy Mayor), Rev. Father Brendan Torr, P.P. (Father Nooney's successor), Councillor P. J. Lynch, J.P., Captain Cooper, Salvation Army, Councillor R. K. Richards, Rev. A. J. Reynolds, Baptist Pastor (Altona), Councillor W. H. Sommers, Mr. Karl Bettins, Elder of the Lutheran congregation (representing Pastor Blasius), Mr. James W. Waters, Town Clerk, Rev. A. J. Ridgway, Presbyterian Minister (Altona), Councillor Harry Weaver, J.P., Mr. R. C. Simmons, City Engineer, Rev. Maxwell Crawford, Rector St. Mary's, Councillor C. W. Carrison, J.P., Rev. A. J. Poice, Baptist congregation (Altona North), Councillor J. I. Stewart, Rev. John Lawley, Vicar, St. Eanswythe, Councillor W. L. J. Crofts, J.P. and Father James Kierce, Parish of St. Leo's (Altona North)

EDITORIAL

THE ELECTIONS

There is much call for State Government decision and action in Williamstown and Altona.

While local electors face the same general issues as other Victorians, they, in addition, face particular circumstances calling for government action.

- The list of such is formidable.
1. Education — a special school in Altona North — a teachers' training college in the western suburbs.
 2. Police — a police station in Altona North — a courthouse in Altona.
 3. Air Pollution — industry in Altona and Williamstown — the Newport workshops — the briquette dump — pollution from outside municipalities.
 4. Stream pollution — from Kororoit Creek and Stony Creek.
 5. Bay pollution — from Altona sewage effluent.
 6. Oil and gas pipe lines.

While electors on Saturday, May 30, will primarily record their votes towards a State Government of their choice, they should not entirely forget local needs.

Some weight must be given to those, who from their appreciation of local conditions, can also advance Altona and Williamstown interests.

ANGLE PARKING FOR BORRACK SQUARE

Mr. R. Simmons, Altona's City Engineer, will study parking around Borrack Square and report to council on a suggestion by Mr. A. E. Small, Millers Road, Altona North, that the grassy median strip be done away with and parking in areas north and south of the square be converted to angle parking.

He will also report on Mr. Small's suggestion that the present vehicle access way or loading bay be replaced by a pavement slab type footpath.

Mr. Small said the present situation in the area was "hopeless."

"After heavy rainfall the grassy areas become slippery, muddy areas," Mr. Small said. "At the Post Office end, where there appears to be a vacant shop site, cars are being parked on this land, also shoppers, etc., are using the driveway, also abusing."

"The northern end, behind the large S.S.W. Food Store, presents a bigger problem. Firstly, trucks and vans which have provisions for the store, have to enter 'one way only,' and the entrance is officially adjacent to the Infant Welfare Centre, both being at corners. Consequently, this is a road and safety hazard, caused when really big trucks try to get into the driveway."

"They are forced to go over onto the wrong side of the road to straighten up, and even then, finally finish up with the off-side wheels in the mud."

"There is also still a great danger for the shoppers near the butcher's. Even allowing for the barrier-type railings, especially with regard to the younger children and babies in prams or pushers, also for store employees who use the toilets at the back of the store in the driveway."

"Lastly, at the north-east corner, behind the S.S.W. Store, there is evidence of the size of some trucks fully loaded, where to get out, they are forced to go over the kerbing and across the footpath. Subsequently there are already signs of the footpath becoming broken and, finally, smashed up."

Asking the engineer to report, Cr. H. Weaver said Mr. Small's suggestions were good.

NO LIFT TO SPEED LIMIT

Altona Council has refused a request that the speed limit in Maldstone Street, between Kororoit Creek Road and Slough Road be lifted from 35 m.p.h. to 40 m.p.h.

Asking for the speed limit increase, the RACV said it was prompted by the fact that most motorists did travel at 40 m.p.h. in the street and because of the industrial development in the area.

"I feel 35 m.p.h. in that street is fast enough for anyone," said Cr. W. Sommers. "The bend in the road and the railway line are hazards."

BREAKINGS AT POUND

Since last December the Altona pound has been broken into nine times, and eight dogs, two horses and a goat have been set free, the City Ranger reported to Council.

He said five of the breakings occurred during April, adding that locks have been broken and fencing cut.

Altona Police have been asked to investigate.

QUARRY PROPOSAL

A representative of Carolan & Co., Estate Agents, will attend the next meeting of Altona's General Purposes Committee to present Council with a confidential report on ideas for using Humes Quarry, Millers Road, Altona North.

Carolan & Co. have been appointed by Humes Pty. Ltd. to dispose of the quarry. Council was told last week that there are no tangible plans for the quarry yet.

NO LAND FOR SALE

Council will inform J. and D. McKenzies Pty. Ltd., engineers, of Boundary Road, Brooklyn, that it is not interested in disposing of any part of its property in Boundary Road.

The company asked if it would be possible to buy land adjoining its yard to square-up its holding.

The Town Clerk, Mr. J. W. Waters, told Council it bought the land as a sanitary pad-dock for its sanitary contractor. He said it was not used by the present contractor, who owned his own site in a noxious trades area.

"It is held as a safety valve," Mr. Waters said. "For this purpose it will be required whilst the Council has the sanitary contractor, or for that matter, in case the Council requires to take over sanitary contract work when the sewerage nears fruition."

Scoreboard

Altona Council has approved the construction of a steel stall and scoreboard at Langshaw Reserve. Central Altona Football Club will be asked to paint the structures.

STALL

The Methodist Ladies' Guild has Council approval to conduct a street stall at the corner of Blyth and Pier Streets on November 14.

Brooklyn Pre-school Centre will conduct a stall in Borrack Square on June 5.

RUBBISH UNDER REVIEW

Altona Council's tip near the western end of Blackshaws Road will be filled next month, and then operations for the dumping of household rubbish — not garbage and approved industrial waste will be transferred to the southern part of the Altona Sports Park.

Last week the Council was told that sites for future tipping were limited and it was advised to consider the future policy on tipping.

Council was told that Williamstown had no tip, and many residents and firms from the area would want to tip rubbish in Altona.

Footscray Council recently opened a new tip, but charged \$1 per cubic yard for industrial waste — more than the 20 cents at present charged in Altona, so Footscray firms could be expected to use the Altona tip. Sunshine Council also recently opened a tip for industrial waste.

The Mayor, Cr. P. A. Burns, moved that the Council accept approved industrial waste only from firms inside Altona.

Industrial waste from firms outside the municipality will not be accepted. Wastes that would create a nuisance if burned and sludge-type wastes will not be accepted even from local industries.

Charges for tipping by Altona ratepayers will remain the same as at present, but charges for tipping household rubbish from areas outside the municipality will be 50 cents minimum, 50 cents a cubic yard, and \$2.50 per truck load.

Pipeline

W.A.G. Pipeline Pty. Ltd. is investigating the practicability of piping crude oil overland from Long Island Point to Altona, the Minister of Fuel and Power advised Altona Council last week.

"The Minister said this followed the Government's refusal to allow a pipeline across Port Phillip Bay because of the danger of pollution."

PROTEST OVER CHURCH NOISE

A number of residents in Cresser St. have complained to Altona Council about disturbances caused by people attending a partly constructed church in their street.

A petition to the Council said the noise started at 11.30 p.m. on Anzac Day and continued to 1.30 a.m. the next day.

"Part of the noise was created by a public address system which had two or three speakers attached," the petition stated. "This address system was out in the open in a proposed car park due to the fact that the building to be used is incomplete."

"At times the noise produced by the address system was deafening."

"This, combined with the misuse of fireworks over the entire period of time, made it quite impossible for us, the residents of the area, to sleep, and seeing the majority of residents are young married couples with young children and babies, we do not think it is right to have these children disturbed in this manner."

This particular group of people then abused the peace a little further by slamming of car doors and excessive engine noise.

"In one particular instance, a firecracker was thrown over a resident's fence and this exploded next to a bedroom window, thus wakening three small children. The noise became so extensive that the police from Footscray were called at about 12.45 a.m. and a divisional van arrived at 1.15 a.m. and confirmed that the noise was excessive and

disbanded the group.

"Also we wish to bring to your attention the fact that we were told that off-street parking would be provided for. As a result of this being overlooked, many of the residents of this area had their driveways obscured by cars owned by members of the church group. The parking of cars too close to corners of Cresser and Mills Streets also proved to be hazardous, these cars only leaving five or six feet clear on the corners."

The Town Clerk, Mr. J. W. Waters, told Council complaints were received about the parking of cars in Cresser Street, between Mills Street and First Avenue during services at the church.

"The Traffic Officer reports that he patrolled the area on Sunday, May 3, between 9 a.m. and 10 a.m." Mr. Waters told Council. "No cars were observed."

"Two trucks on the street were parked correctly. The area is being kept under surveillance."

"The Building Surveyor advised the church authorities on April 30 that the use of the building for services or meetings is to cease until the required car parking area has been provided within the site in accordance with the approved plan."

Cr. W. L. Crofts moved that the Council note the protest and endorse its officers' actions.

"From the attention our officers have given the matter, I believe all that can be done is being done," he said.

Cr. Sommers said he had inspected the area.

"I feel the people living there have something to complain about," he said. "The parking is a hazard. There is a definite problem."

Hospital Sign

Altona District Hospital has asked Council to erect a sign indicating the hospital's location on a pole at the corner of Queen Street and Millers Road.

Mr. R. Simmons, the City Engineer, has been asked to attend to the matter.

Now Health Inspector

Mr. K. E. Connon, Williamstown's Senior Meat Inspector, has been appointed as health inspector in addition to his present duties. Staffing the Council's Health Department will be further considered at the Council's tentative estimates meeting.

CITY OF ALTONA

Statutory Meeting For Examining And Settling Accounts

NOTICE IS HEREBY GIVEN that the Accounts of the City of Altona for the year ending September 30, 1969 have been audited. Printed copies of such together with the Auditor's Report are available for inspection during office hours of the Civic Offices at 115 Civic Parade, Altona.

Notice is further given that the Statutory Meeting for the examining and settling of such accounts will be held in the Council Chamber at 8.00 p.m. on Tuesday, 9th June, 1970.

JAMES W. WATERS,
Town Clerk.

Guides Street Stall

Altona Guides and Brownies will hold a stall in Pier Street on Saturday, May 23, but due to holiday notices cannot be sent home with the girls.

The organisers appeal to parents to support this stall and are seeking donations of cakes, lollies, sewing, jams and novelties.

Please ring 398-1810 and goods will be picked up after 6 p.m. on Friday, May 22, or donations may be left at the stall after 9 a.m. on the Saturday.

All proceeds will go to further improving the guide hall.

Kindergarten Stall

The Parents' Committee of the Altona West (Lindwood Avenue) kindergarten would like to thank all those people who supported them at their recent street stall, at which \$60 was raised.

A special effort for a \$5 voucher for lingerie was won by Mrs. J. George, 5 Karingal Street, Altona and the basket of fruit was won by Mrs. McLeod, 176 Blyth Street.

Talk On Art

"Art as a hobby" will be the topic on which guest speaker Mrs. B. M. Whitehurst will talk at the meeting of the Altona Working Men's Club Associates starting at 7.45 p.m. in the clubrooms on Monday, May 25.

The Associates have been busy organising a Smorgasbord between 6 and 10 p.m. on the following Sunday, May 31.

Tickets at \$2 each are still available but need to be purchased by Saturday, May 23. No tickets will be sold on the night of the function.

No business houses involved.

FAMOUS ORGANIST AT BOWLING CLUB

Internationally known New Zealand organist Michael Hendry is playing today at the luncheon at the Altona Ladies Bowling Club for the first official visit to the club of the president and executive members of the Victorian Ladies Bowling Association.

Each year the president visits some clubs in turn and it takes several years to officially call on each one in the State.

Today, the first visit to Altona, is an all-important event for the lady bowlers. Eighteen VLBA visitors were expected.

The guests will be entertained by Michael Hendry playing the latest Lowrey organ known as the "Holiday K-Model."

In the hands of this talented artist this organ makes every musical sound — the lush tones of a big theatre organ, the pipe organ music of great cathedrals, rag time piano, the sounds of a mouth organ, piano accordion, trombone, trumpet, etc.

Wherever he has played throughout New Zealand or in Europe, Michael Hendry has always been remembered for his versatility and his arrangements of popular evergreens and light classical numbers.

In Europe last year Michael was honored when invited to play a small one keyboard pipe organ with pedals in Karlstein Castle, Prague.

As with all organs, this instrument had to have organ blowers, and on this occasion one of them was the famous Czech conductor Eduard Fischer who arranged the recital.

Michael has visited Australia many times and played a variety of engagements. A number of years ago he married a Sunshine girl, Lynette Almond, whom he met when she was on a working holiday in New Zealand.

The Hendrys have three children who all play the organ.

Michael is now living in Melbourne and is General Organ Sales Manager and chief demonstrator for Brashers who have kindly made him and the organ available for today's recital.

Drama Group

Altona Drama Group will present its annual "Villawool Parade" on Monday, May 25, at 8.15 p.m. in the Civic Hall.

This event, which has become something of an annual institution, is a type of mannequin parade in which members of the A.D.G. display garments knitted in Villawool.

The garments are not for sale but serve to illustrate the variety of patterns available from the Villawool Textile Co., of Sydney, and these patterns and wools may be obtained from the many wool shops locally which stock this well-known brand.

This event should interest all knitters, so come along and bring a friend. Admission (tickets at door are 50c and the price includes light refreshment).

Altona Square Dance

Once again Altona was host to a well-travelled gentleman, this time from Western Australia, who was given a true Altona welcome.

Through the evening congratulations were extended to May and Cheryl Hick who were celebrating their 32nd wedding anniversary.

The Australian Square Dance Convention is to be held in Sydney over the Queen's Birthday week-end. A group of about 20 dancers from Altona will journey north for the celebration.

The Altona Square Dance is held every Thursday night in the Youth Hall, Civic Parade. Dancing 8-11.15 p.m. Novelties and monte carlos shown by David Hooper. Ring 398-2708 for further details.

Engagement

Miconiatis—Monaghan
Mr. and Mrs. Miconiatis of Dove Avenue, Altona, have pleasure in announcing the engagement of their only daughter, Mary, to David, second son of Mr. and Mrs. N. Monaghan of Rose Street, Altona.

C.W.A. BIRTHDAY

Altona Branch of the Country Women's Association celebrated their 13th birthday on Monday of last week at the Methodist Church Hall.

The luncheon was a closed function because of the recent passing of branch treasurer the late Mrs. Min Woodyard, a foundation member.

The branch began activities in 1957 after a meeting convened by the late Mrs. Cathy McIntyre, her sister the late Mrs. Nora McIntyre and Mrs. Madge Beattie (first president) now of N.S.W. and New Guinea.

Initial secretary was Mrs. Stevenson of Laverton and treasurer Mrs. D. Shields.

The birthday cake for Monday's luncheon was made by Mrs. Ann Taylor and decorated in green and gold (C.W.A. colours) by Mrs. Bet Marson — they were invited to light the candles and fan them out.

Mrs. F. Heyme in her last year of office as president cut the cake.

Secretary Mrs. Flo McDonald acted as Master of Ceremonies and a group of members entertained with songs and comedy sketches as Mrs. Daisy Jones played the piano.

The competition for best floral table decoration was won by Mrs. Bet Marson and second was Mrs. Ena Laird.

Next social day for members will be held at the home of Mrs. Heyme, 2 Seaview Crescent, Seaholme, at 1 p.m. on May 25 (telephone 398-1376). Members to bring lunch, a gift, plate of cakes and a friend.

Film President Resigns

At a recent meeting the Altona Film Society received with regret the resignation of Mr. Alan Simpson from the position of President.

The committee appreciated Mr. Simpson's extremely capable leadership during 1969 and look forward to his continued assistance.

Mr. Jim Shanks was elected interim President until the Annual General Meeting to be held on Thursday, May 28, at The Homestead.

Film screenings are to be held on Friday, May 22, and Friday, June 12. Members will be notified by mail of film details.

Anyone wishing to join the Film Society is asked to please contact the Secretary: Miss Lorraine Thompson, at 73 Civic Parade, Altona. Telephone 398-1406 (after hours). Annual subscriptions for membership are: Adult \$2, family \$3, pensioner 50c. Full time student (over 15 years) 60c.

Approaching Marriage

SHAW—BULK

The marriage of Janet Lynn, youngest daughter of Mr. and Mrs. S. Shaw of 9 David Street, Altona, to Ian Thomas, eldest son of Mr. and Mrs. R. Bulk of Mt. Tom Price, Western Australia, will be solemnised at the Baptist Church, Altona, on Saturday, May 23 at 4 p.m.

Val's Column

Get to know your skin type Girls. You need to know before you buy a cleanser, toner, a moisturiser and a nourisher. The wrong formula won't do enough good, and certainly will not feel comfortable. Take a good long look at your face in good lighting. Do you see a fine textured skin, feel soft and smooth, no enlarged pores, no oily shine on nose and forehead? No tendency to spots. Yours is a normal skin — But look after this or it won't stay that way!

Dry skin feels taut, even parched. Very fine textured and tends to dry out and line easily. Shiny Skin, enlarged pores with a tendency to white and blackheads. Trouble spots especially around nose and chin where there is often excess oiliness.

Have you two of these? A Combination Skin with oiliness on forehead, chin and nose and finer textured cheeks.

A Delicate or Sensitive Skin also has a fine texture, tendency to flush easily because the skin is thin and tiny broken veins may be noticed on cheek areas. Be careful, there are products specially formulated to pamper your needs. Use only them.

Then there is a Disturbed or Problem Skin. Usually very oily, has pimples, eruptions and may be flakey areas. This flakiness could be dried out cells, or an over oily cell sitting on the skin. This skin condition is usually only a problem for a short period of our lives, even an emotional problem. During this time keep hands, nails and hair clean at all times, watch your diet. Have regular and abundant sleep. Don't worry! Do care! you need a hexachlorophene soap, the correct shampoo. A lotion to dry up the excess oils, a medicated lotion to help heal, stop infection. Your case may need a spot mask to draw out impurities. Special Lotion — marvellous for clearing up and keeping low your disturbances. Don't clog up this good work with unmedicated makeup. Ask for Revlon, Cyclax, Coty, Dorothy Gray care. They know your problem, they want to help.

Pretty draw-string bags. Check tissue bags, roller bags. Sparkling evening bags, makeup purses, pretty floral boudoir scuffs just for you.

"DECENT HOMES AND SUITABLE ENVIRONMENT" — RON WALSH

Mr. Ron Walsh, A.L.P. candidate for
Melbourne West Province, says a decent
home and a suitable environment for every
Victorian family could be broadly described
as the policy of the Victorian A.L.P. for the
coming State elections.

Many thousands of Victor-
ians are ill-housed and
major portions of the inner
areas are dilapidated or
decaying.

The State Government
shows little overall interest
in meeting the State's hous-
ing needs. Such factors as
the heartbreaking deposit
gap are preventing fulfil-
ment of the goal of owner-
ship of their own house for
many low income earners.

During the recent Federal
election campaign, the
A.L.P. made it clear that
there must be a national
commitment to housing.
Massive Commonwealth aid
is needed to back effective
State Government housing
policies.

But there is much that
can also be done now in the
State field —

One factor which could
be controlled or curbed by
the State Government is
soaring land prices. The
average cost of serviced
residential land is increas-
ing sharply.

Home sites are already
beyond the reach of many
low income earners and
young couples. The position
will not improve unless a
radically new approach is
taken by the State Govern-
ment on land policy.

The State Government
must become involved in
sub-dividing and releasing

land, and sufficient land
needs to be put on to the
market, at pegged prices, to
stabilise prices on private
sales of land.

The basic principle of
private ownership of newly-
released land may need to
be questioned. Labor ac-
cepts that it is imperative
that the State Legislature
should come to grips with
the land price issue. It
should move against exces-
sive conveyancing cost.

Labor would deal with
speculators holding vast
acres around the metropol-
itan area, with high develop-
ment costs, and with zoning
restrictions that tend to
place excessive burdens on
home builders.

Crown land values would
be specifically pegged and
the principle of leasehold of
new land, consistent with
practice in the A.C.T.,
would be investigated.

This goes with Federal
Labor's promise of money to
States to buy land for
Government-controlled sub-
division.

Labor accepts that Gov-
ernment intervention is
necessary if building a home
in the Melbourne metropol-
itan area or in Victorian
country districts is to remain
feasible for people with
modest income.

Under a Liberal Party
Government, the cost of

housing means that home
owners, particularly young
married couples, face a
lifetime of debt — that is,
if they are able to get into
a house at all.

Australians must now pay
an average \$21,000 in
order to become home
owners. The Victorian figure
is very close to the national
average.

They must pay at least
\$3,500 for land, \$10,000
for the house itself and
\$7,000 as interest on a
loan of \$8,000 repayable
over 26 years.

The price of every house
which is built in Victoria is
artificially and unnecessarily
inflated by the failure of
the State Liberal Govern-
ment to act to control hous-
ing and land costs and make
available credit on reason-
able terms.

"HOSPITAL SHORTAGE A DISGRACE" — Dr. Reinehr

Sunshine's little cottage hospital serving
a population of 75,000 people can only take
12 maternity cases at a time and expectant
mothers have to book from eight to nine
months ahead to be reasonably sure of a bed.

"This is a disgraceful
state of affairs that should
not be tolerated in a mu-
nicipality which is perhaps de-
veloping faster than any
other Melbourne suburb,"
declares Dr. Douglas Rein-
ehr, acting Medical Officer
of Health for Sunshine City
Council, and also Liberal
endorsed candidate for Deer
Park electorate at the
State elections on May 30.

He disclosed that two-
thirds of the women of Sun-
shine have to move out of
the municipality to have
their babies.

Naturally, they preferred
to go to a local hospital, if
one were available, as it
would be more convenient
for visits by husbands, fam-
ilies and friends and would
avoid heavy travelling ex-
penses.

Dr. Reinehr also pointed
out that the little Sunshine
cottage hospital's 20-bed
capacity virtually made it

almost impossible to provide
any care for the aged.

"The Hospital and Char-
ities Commission apparently
realises the urgency for
another maternity and
general hospital in the
western suburbs as it has
given Sunshine number one
priority on the new hospital
construction list," said Dr.
Reinehr.

In June, 1960, the Com-
mission made 93 acres
available on Ballarat Road
for the proposed new hos-
pital.

The plans provided for a
500-bed hospital to cost
about \$5 million and pro-
vision was made for an
equivalent number of beds
for maternity cases and
general patients.

"The Board of Manage-
ment of Sunshine Hospital
showed it was very keen to
get the proposed new hos-
pital off the ground by
raising \$41,000 for the pro-
ject and has not the slightest
doubt that, if granted per-
mission to launch a public
appeal, the response would
be overwhelmingly success-
ful and the sum raised would
more than match the sub-
sidy provided by the State
Government," said Dr.
Reinehr.

"All that the hospital
board of management is
seeking now is the green
light to go ahead — let's
give it to them," he added.

Dr. Reinehr promised that
if elected he would lead a
deputation to the Minister
for Health and very force-
fully press for better hos-
pital and health facilities
and amenities for the Deer
Park electorate.

THE CURTAIN RISES

BY THISBE

It is not often that an organisation like the Little Theatre rates a mention at a Football match.

Last Sunday Cr. Ron Dawes, Mayor of Williamstown invited people to attend the Mayoral Command Performance at the Technical School Assembly Hall at 8 p.m. on Saturday, May 30.

He mentioned that the Little Theatre would be presenting "Black Comedy" and that the Williamstown City Band will be sharing the programme with the Williamstown Light Opera Company's selections from "The King and I".

If you have not heard the big sound of our City Band, missed the "King and I" because of the school holidays or heard how good "Black Comedy" was, this is a wonderful opportunity to take the family along for an entertaining evening and to help charity at the same time.

Tickets are available at E. S. Marr's and several other centres at \$1.00 for adults and 50 cents for children.

The Mayor will choose a local charity or charities which will benefit from this evening so to make it a success public support is needed.

The groups taking part in the programme are donating their time and their best reward will be in a full hall when the curtain rises.

Newport Methodists Football Club

Newport, playing undefeated leaders Preston Methodists, were narrowly defeated by 7 points in a hard slogging match.

Newport could not handle the very heavy conditions, early in the game and trailed by more than 5 goals at three-quarter time.

However, they produced some excellent wet weather football in the last quarter and just failed to snatch victory.

Scores: Newport Methodists, 13.11.89; Preston Methodists, 14.12.96.

Goals: P. Hayward 5, E. Rowe 2, W. Bridle 2, C. Harris, R. Spokes, D. Johnson, G. Seers.

Best: E. Rowe, R. Spokes, P. Hayward, D. Johnson, B. Lowery, C. Harris.

This week's match is against Reservoir St. George at Gray Reserve.

Farewell To Pastor Blasius

Pastor Blasius, his wife and his two children, Barbara and Michael, who were born in Altona North, leave Australia on Sunday to return to their homeland.

Pastor Blasius came to Australia six years ago and since then he has been Minister at the Lutheran Church in The Broadway and rendering services in St. Albans and Pascoe Vale.

He is known in the Altona community as a keen social worker and a great help with his personal assistance amongst new settlers to this land.

Mr. Kas Jurga, a former Altona councillor and zone leader of the Good Neighbour Council, said he fully appreciated the generous efforts of Pastor Blasius to assist him in the Good Neighbour Council movement.

Pastor Blasius also took an active interest in municipal affairs and was very helpful with cultural activities especially during the Altona Arts Festival.

The departure of a man of his calibre will be a loss to the community.

He and his family are wished a happy and safe journey to their homeland.

MR. DOUG BELL TALKS ON WASTE GLASS

At the weekly luncheon meeting Mr. Doug. Bell of Australian Glass Manufacturers, Spotswood, spoke about the collection of waste glass (cullett).

This waste glass is an essential component of new glass as it melts earlier than new glass components and helps to hold other materials together in the early stages of glass making.

Its usual charitable purposes. Thus, people in the areas served by the drums would benefit from the ready disposal of glass and in turn local charities would also benefit.

He made the suggestion that local service clubs could arrange for large drums (marked Glass Only) to be placed at certain central locations for the convenience of householders and shopkeepers.

Australian Glass Manufacturers would then arrange the collection of the waste glass at regular periods and pay the service club concerned for each ton of glass collected.

The service club would of course use the money for

He mentioned that the color of the glass did not matter. He did, however, say that glass used for window panes was not suitable for such a project.

The chairman for the day, Ex-President Jack Piggott, thanked Doug for a very interesting talk.

The speaker for next week will be Dr. Birrell who will speak about "Alcohol and Accidents". The chairman will be Ross King.

Footscray Hospital Seeks Help

There is, in Melbourne at the moment, a shortage of Radiographers, and this, to a certain extent, is affecting most x-Ray departments. Unfortunately, the X-Ray Department of Footscray Hospital has been particularly affected, and instead of a full staff of five radiographers, is now down to two full time, and one part time radiographer during the day.

To date, it has been possible to maintain an almost full service, but quite obviously, it will not be possible to do this indefinitely, with a reduced staff, and some curtailment of the service may ultimately be necessary.

Publicity is being given to this situation, in the hope that it may come to the attention of any trained radiographers in this area; (that is, mainly married women), who while not being particularly interested in full time work at the moment, may well find it possible to offer their services on a part time basis, say one or two mornings, or afternoons per week until the hospital is again able to bring its radiography staff establishment back to normal.

Scoreboard Shelter

Council has referred to its Reserves Committee a request by Williamstown Football Club that Council provide some form of shelter for the club's scoreboard attendant.

"There are companies which will provide this type of equipment," said Cr. J. M. Byron.

"Gellibrand Playtime"

The Cub Packs of the new Gellibrand District, comprising the Altona, Williamstown, Newport, Laverton and Werribee groups, will be presenting "Gellibrand Playtime", on Friday night, May 29, at the Altona North Technical School, 7.30 p.m. Admission 20c.

"Gellibrand Playtime" consists of a series of short plays presented by each cub pack, of 8-12 minutes duration, wherein at least 8 cubs must take part.

The source of many of the scripts is highly original and an enjoyable and amusing night is assured to all attending. Costumes and props will be by the scouts and parents of the cubs.

A shield will be presented to the winning pack, and all packs will receive a small hide shield to commemorate the fact that they have taken part.

G.N.C. Seeks More Members

The Altona-Williamstown Hospital Visiting Committee of the Good Neighbour Council will meet at 7.30 p.m. on Friday, May 22, at 1 Stevedore Street, Williamstown.

Guest at the meeting will be Mrs. Bright-Parker, vice president of the Council and convener of hospital visiting.

New members are needed to welcome migrants to Australia and further details can be obtained by ringing Dr. Leicester 397-6624, 96-2110.

Education Week

Education Week for 1970 will be observed throughout Victoria from Sunday, August 9, to Saturday, August 15. Sunday, August 9, will be observed as Education Sunday.

The choice of the theme — "Education For All Nations" — has been influenced by Unesco's proclamation of 1970 as "International Education Year."

During this week, every school and educational centre under the Education Department jurisdiction will provide opportunities to parents and the community at large to inspect the work of the children and students.

Primary, secondary and technical schools, teachers' colleges and pre-school centres and kindergartens will arrange Open Days during the week.

**Leon Constanainou Leads
Cyclists Again**

Leon Constanainou made it three wins out of four handicap starts this season when he gained first placing and fastest time in the 28-mile handicap conducted by the Williams-town Cycling Club last Saturday.

The way Leon is winning almost at will at the present moment there is strong talk of tying a 50 lb. weight to each of his legs to slow him down a fraction.

In Saturday's race the limit marker, Winston Hendricks, held the field at bay until the halfway mark where he was joined by Tony Robson and Wally O'Brien.

After losing Winston with one of the three laps to travel they still held a fair lead although Leon Constanainou and Geoff Salter were rapidly closing the gap from the back mark.

Tony and Wally remained together until two miles from the finish when Tony broke away and appeared set to score when Leon arrived on the scene and had too much strength over the final 100 yards to defeat Tony by a couple of lengths.

Geoff Salter battled on determinedly for third placing.

RESULTS

28 Mile Handicap.—Fastest and 1st. L. Constanainou, scr.; 2nd. T. Robson, 9 mins.; 3rd. G. Salter, 2 mins.; time 1 hr., 34 mins., 30 secs.

Aggregate progress: L. Constanainou 3, T. Robson 24, C. Robson 23, J. Pryor 22, G. Salter 12, W. Hendricks 4, M. Reynolds 3, I. Salter 2, T. Reynolds 2.

**South Thirds
Lose Again**

Carlton, with good play and teamwork, defeated South Melbourne by 22 points.

South opened the scoring with goals from Pasquill and Doherty, but Carlton soon settled down and began to show good form. By half-time Carlton had amassed eight goals, while South still only had two.

Early in the third term Doherty goalied, but Carlton replied with two more goals, putting them further ahead.

South gained two more goals through Doherty and Pasquill, but lack of teamwork proved to be their downfall and Carlton, with strong play and the will to win, came out easy winners.

Scores: South Melbourne, 8-14-62; Carlton, 12-12-64.
Goals: Doherty 5, Pasquill 2, Chatfield.

Best: Doherty, Pasquill, Hocking, Tweedley, N. Stibbard, Carrodus.

**Williamstown
Squash Club**

A Reserve, 1-5-85, lost to Terrylee, 3-10-119.

R. Withers lost 0-3.
B. Warland lost 1-3.
B. Cathcart lost 1-3.
B. Smith won 3-1.

H. Grade, 3-4-83, defeated Colburn Amateurs, 1-4-69.
G. DeRose lost 0-3.

B. McLaren won 3-1.
C. Goodwin had a walkover.
T. Meatchem won 3-0.

B Reserve had a bye.
C Reserve 4, 2-8-101, defeated Footscray, 2-8-94.

J. Burns won 3-0.
H. Wurster won 3-0.
G. Roach lost 0-3.

J. Newbury lost 2-3.
C Reserve 5, 4-12-100, defeated Latrobe university, 0-0-52.

J. Robb won 3-0.
P. Rodger won 3-0.
P. Crocker won 3-0.

A. Cervetto won 3-0.
John Newbury lost in five to an opponent who, as yet, has not lost a match this season.

Brian Auld, who is to be married to Miss Judy Longton, on Saturday, May 30, had a night out for the lads and a good time was had by all.

T. Meatchem played for the B Side and acquitted himself well, winning 3-0.

This coming Saturday the race will be over 37 miles and will start at the corner of Aviation and Sneydes Road at 2 p.m.

**Top Award For
Spotswood
Apprentice**

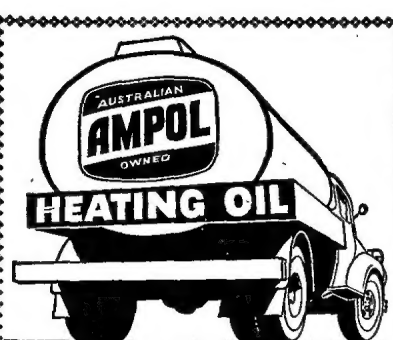

Brian Vanderfeen of Melbourne Road, Spotswood, is this year's outstanding apprentice in the electroplating trade.

The Governor, Sir Rohan Delacombe, will present Brian and winners in other trades with silver medallions at a ceremony in the Melbourne Town Hall on May 29.

Highlight of the function being held during Apprenticeship Week, May 24-30, will be the announcing of the "Apprentice of the Year" who will receive a gold medallion from the Governor.

The selection of outstanding apprentices in each trade or group of trades is based on attributes of scholarship, craftsmanship and citizenship.

Brian is employed at the Brunswick factory of Stokes (Australia) Limited.

DEPUTATION VOICES ITS COMPLAINTS

A deputation of three McIntosh Road residents presented a petition to Altona Council's General Purposes Committee earlier this month listing ten complaints.

After discussions with the deputation — Messrs. Burrows, Jackson and Degiorgio — the Council decided to note the complaints and take action where necessary.

The deputation stated that two-thirds of McIntosh Road was sewered and asked when the remaining third would be done. Cr. H. Weaver said Board of Works developments were governed by available funds, but undertook to draw the matter to the Board's attention.

The deputation said that Barrack Square shopping centre was now too small and parking had become impossible during peak periods.

Council said the present shopping area provided under the Town Plan was considered satisfactory as far as the Council was concerned, but would keep in mind the briquette depot site for a possible additional shopping centre when the depot was moved.

Cr. Sommers undertook to take the deputations complaint about inadequate train services up with the Railways Department.

The deputation said it considered the lighting was totally inadequate in McIntosh Road, particularly after midnight. The City Engineer, Mr. R. Simmons, said that Council policy was to place a light on every second pole. This was exceeded in McIntosh Road, but he undertook to investigate the matter.

The deputation said the rubbish collector was knocking bins around and at times leaving rubbish on nature strips. A case was cited when a woman had been abused for placing grass cuttings in the bin which the collector had refused to take away.

The deputation was advised to report any such incidents immediately to the Chief Health Inspector in future.

The deputation advised that, in the early hours of the mornings, considerable noise was made by the sanitary contractor and bad language was being used. It was thought that there was no silencer on the sanitary truck. The deputation was advised to report further incidents immediately to the Chief Health Inspector.

The deputation wanted to know why the bus services finished so early at night.

Cr. Sommers said buses did not finish until midnight but after the peak hours operated a limited service. At peak periods 12 to 15 buses operated to and from Footscray. He undertook to take the matter up with the proprietor of the service to see if any improvement could be affected, particularly on Saturday and Sunday nights.

The deputation said that it was rumored flats were to be built in McIntosh Road.

Council pointed out it had very stringent requirements which had to be met before flats could be erected and assured the deputation that if flats were erected they would blend in with the area.

Council was unaware of an application at present for flats to be erected at the Millers Road end of McIntosh Road. There was nothing to prevent anyone from applying to erect flats if the site met Council requirements.

Cr. Grant pointed out that the residents were in an area subject to pollution problems. However, he could not recollect noting any complaint from a resident in McIntosh Road in the Council's register and suggested that complaints be phoned through to the Council's Health Department immediately any pollution was apparent.

Cr. Grant also pointed out that it was felt that the problem would be considerably reduced when the industry concerned switched to natural gas.

The deputation said that McIntosh Road was being used as a speedway creating many traffic hazards. It had been reported to the Police Traffic Branch and an inspection had been carried out but nothing had been done since the inspection.

The deputation was advised that this was a police matter.

TPI SOCIAL CLUB

One hundred and thirty-three members enjoyed the Social Afternoon put on by the Footscray T.P.I. Social Club to entertain the Box Hill T.P.I. Club (33 members) and the Geelong T.P.I. Club (28 members).

The artists were Nancy Ison, Mr. and Mrs. Dorrington, Bonny Jarard and her Willie Warblers and Mrs. D. Fowler (piano).

The duet by Chas Strachan and Nancy Ison was thoroughly enjoyed by all.

Thanks to the Ladies' Auxiliary for the afternoon tea they put on.

Mrs. R. Bassett competed in her usual good style and thanks go to all the artists, for a good afternoon's entertainment.

Points For Home Buyers

STAMP DUTY

The payment of stamp duty seems to be one of the points on which home buyers are not clear.

Who is responsible for the stamp duty? Definitely the purchaser, not the seller.

Who actually pays the stamp duty? While the onus for payment is on the purchaser, the actual payment is usually made by a solicitor and the outgoing by the solicitor in this regard is reimbursed by the purchaser.

This method often leads to the purchaser having the mistaken opinion that the legal fees are too high.

In other words they group the reimbursements of stamp duty in "legal fees" which of course is unfair.

If the solicitor did not pay the stamp duty, then the purchaser would have to pay it himself at more inconvenience than paying it through his solicitor.

The seller does not have to pay any stamp duty. It should be remembered however, that he has already had his share of stamp duty when he bought the property in the first place.

How is the stamp duty calculated? The stamp duty is payable on the consideration of the land and improvement.

Vintage Cars Visit Williamstown

The Vintage Drivers' Club will be the guests of the Williamstown Historical Society on Sunday, May 24.

Although the first motor vehicle was not seen by Williamstown folk until 1900, many interesting reminders of earliest years in the life of Williamstown are waiting to be re-discovered.

The vintage cars — many of which have recently completed the 10th Bi-Centennial International Rally — will travel from Melbourne to Williamstown via Hyde Street to Stony Creek, along The Strand and Nelson Place, past the Breakwater Pier and Timeball Tower and along Shelly Beach and Esplanade to the Botanical Gardens where lunch will be partaken.

After a short visit to the Railway Museum in Champaign Road, the cars will proceed to the Williamstown Historical Society's headquarters at the Mechanics Institute in Electra Street for afternoon tea between 3 p.m. and 4 p.m. and a look over the Museum.

Instead of the usual mixed Australian, this historical museum tried to keep as much as possible to things pertaining to Williamstown district.

The history of this settlement began in 1835 when small sailing vessels from Tasmania arrived at Gellibrand's Point to discharge stock.

Williamstown was the cradle of the Victorian Navy, which had the honor to be the first naval force raised by an Australian colony.

The first Colonial naval vessel was the "Victoria", followed by the "Cerberus" and the "Nelson," and relics of these vessels can be found in the Museum.

There are many models of ships, pictures of early Williamstown and sailing ships, a mural depicting early days with the Time Ball Tower, convict hulks and "Marco Polo" arriving in the bay.

The original sound machine used with silent pictures in the Mechanics' open-air pictures is in the building, also butter churn, and salting machine used by Rowden's Dairy (Verdon Street).

Clothes, furniture, crockery and many varied articles used by people in the Williamstown district are in the Museum. It is open on Sundays from 2 to 5 p.m.

Combined Pensioners' Association

The General Meeting of the Williamstown-Newport Branch of C.P.A. was held on May 8.

Reports were given by the two delegates who attended the State Council, and also with the visit to the club made to the Mornington Branch on April 27.

Williamstown Council have again generously granted our request for the use of the Town Hall, free of charge, in order to hold our Christmas Party there — for this we are truly grateful.

Two of the members will be attending Canberra with the delegation at Budget time.

The next meeting will be in the form of a Social and will be held on May 22 at Newport Library Hall.

BITS & PIECES

The value of the fittings must be established because the buyer pays Stamp Duty only on the land plus fixtures.

Therefore, the value of all the chattels is deducted from the selling price before the Stamp Duty is calculated at 1½ per cent.

The value of the fittings as part of the sale price for a house or flat has no effect on the seller.

Withers And McEvoy Star In W.S.F.L.

By WARDEN JAMES

Newport captain-coach Ken "Nobby" Withers and Werribee centre-half-forward Neil McEvoy starred with 10 goals each in the sixth round of Western Suburban League football played last Saturday.

Withers, who has been Newport's captain-coach for the past three seasons, was outstanding with brilliant marking.

In a scramble game, Newport kept Laverton goalless in the first half and with its defence ably led by Cliff Sanderson were able to record their sixth straight win for the season.

McEvoy, who is a very accurate kick and has good disposal, was the dynamo behind Werribee's first win of the season over Brooklyn.

He was well supported by full forward Bob Arnott who finished with eight goals off his own boot.

West Newport displayed for better teamwork than RAAF Point Cook and had too many star players for the air force boys.

Matchwinner was ruckman-forward Graeme Johnston, who notched seven goals, most of which came after he was switched to full forward.

Maidstone proved too talented for a hard trying, but undisciplined RAAF Tottenham side.

Maidstone had excellent players in vice captain Peter

Heard, who is having a very consistent year, and veteran rover Terry Challis, who again finished in the goals, kicking seven.

Tottenham, on the other hand, lost captain Brian Carpenter just after half time with torn leg ligaments and was unable to match Maidstone in most departments.

At this stage it appears that the RAAF Tottenham side will be withdrawn from the competition because of a lack of players, and the inability to find enough officials to look after the side.

A decision on the withdrawal was to have been made by the base's commanding officer yesterday (Tuesday).

Although it has not been too successful in its three years in the competition — it has only won two matches in that time — the side has a handful of very good players who would prove an asset to other sides.

Central Altona centre-half Neil Davies and centre half-forward Ron Smutney, were the key players in Central's slogging win over Williamstown United.

A proposed match between a combined WSFL side and a team of VFL Seconds players has fallen through.

WSFL delegates voted against the match at a meeting last Friday, but it understood the VFL would not have been able to field a side in any case.

Official "talks" between executive members of the League and members of the finance committee of the South Melbourne Football Club last Thursday indicated that South Melbourne might not sponsor the WSFL competition this year.

It is understood South Melbourne are not completely satisfied with the "return" of young recruits from the League, and have decided to appoint a talent scout to scour the area.

South's move of withdrawing its sponsorship would come as a severe blow to the WSFL, which was first approached by the South Melbourne club to change its name from the Werribee League five years ago.

Maidstone Football Club will hold a cabaret in the East Sunshine Club corner of Ravenhill Street and Devonshire Road, on Friday, June 12.

Tickets at \$7 double or \$4 single are available from either Wal Vecchiet 318-1634, Peter Heard 317-9549 or Malcolm Berg 337-6390.

Newport Football Club requires the services of a football trainer for its senior eighteen. The club is willing to pay \$6 a week for a qualified trainer.

OPEN AGE

West Newport 25.28.179 d. RAAF Point Cook 7.7.49. Maidstone 23.17.155 d. RAAF Tottenham 5.6.36. Newport 17.14.116 d. Laverton 2.1.13. Werribee 27.22.184 d. Brooklyn 2.2.14. Central Altona 16.14.110 d. Williamstown United 8.6.54.

SWINGING WORLD

With RON COLEMAN

LOOKING FOR A NEW DRUMMER . . .

CLACK, one of Melbourne's most promising new groups, is looking for a drummer.

The group had just finished rehearsing its act for a country tour two weeks ago when Lawrie Burns decided to head back for the hotel circuit.

At the moment the boys have a "stand-in" to help them fulfil all present commitments but they are looking for somebody to step in permanently.

Clack is primarily a pop group.

"But we feel we will have to turn to other spheres," says fuzzy-haired singer, Roy Johnson. "The whole scene is changing. Young people have given away the discotheques because they prefer to go to the new hotels that are opening up everywhere. So we will have to work on an act that is acceptable everywhere."

"Once we have our new drummer we will be able to put over a completely different image that is acceptable by teenagers and adults."

With Roy in the group are Mick Diggles and Ross Taylor. Mick and Ross are both from Brisbane which is not uncommon. Quite a few musicians are coming down to Melbourne from the sunny State.

Formerly with a group called Matt Taylor and the Horse, Ross joined Clack as bass guitarist when Peter Hardings left to join a new group in New Zealand last month. Mick formed Clack with Roy when Chocolate disbanded earlier this year.

So far it would be true to say that the group has not met with outstanding success. But then, they have had problems. Management has been non-existent and the guys have to "go it alone" because most Melbourne agents are already "snowed under" trying to get work for established groups.

But Clack are well known in Ballarat where they ran their own dances and radio show some two months ago. And some of you might have seen Roy and the boys at the Sunshine Village Drive-In in February.

Since then they have played at the Tum and Traffic. Most of their work has been arranged by Ray Evans at the Australian Entertainment Exchange. Many of these bookings were hotel jobs and the boys felt it was time they rearranged their repertoire to increase the group's potential.

So while they are looking for a new percussion man they are busy practising. And I believe they have been to Ballarat and Adelaide to negotiate further bookings.

So if you are a drummer or you know someone who is good enough to turn professional please write in to "Swinging World", C/- The Altona Star, 101 Pier Street, Altona.

Bookings

This group may be booked at any time by ringing 398-1831.

Ronnie Collects His Gold Disc

They were all there at the John Batman last Wednesday to see Ronnie Burns collect his gold record for "Smiley". The song was written by Johnny Young.

There to handle the ceremony was Ugly Dave Grey of "Eric the Bolt" fame and other entertainment was provided by Ian Meldrum. Apparently Ronnie was somewhat surprised when Julie from "Weekender" asked to be introduced to him. She knew who he was but she wanted him to know who she was. A somewhat disillusioned pop star said "Oh I'm Ronnie B. . . urns."

Local Barber Goes Wild . . . Again?

Mick the Wild Barber from Somers Parade is letting himself go again. Business is so poor (don't you believe it) that he is offering a free latest style haircut to the first "Swinging World" reader to race down with a copy of this page on Thursday afternoon (May 21).

Do not be bashful, see Mick now and when you go ask if you can have your hair trimmed by Peter. Because Mick's hands are trembling at the thought of all those customers he is going to get.

Free Speedway Tickets

How would you like some free tickets to the next Garfield Speedway meeting on May 24? If you would, simply write in and tell us about a humorous incident that occurred at work or school this year. Address all entries to "Swinging World", C/- "Altona Star", 101 Pier Street, Altona, 3018.

Behind The Scene

Led Zeppelin the most exciting group in the world today, will be touring Melbourne discotheques soon. The places will be packed, just you wait.

Will Ward Austin be on Melbourne's pirate radio station?

Ray and Peter from the Entertainment Exchange feel that it is time they rated another plug.

Everybody is in love with a new place called the "Branding Iron".

But is the Woolshed Bar really catching on?

Terry from the Strangers has been trial running his car along Toorak Road lately (— Pose). Catch him at the Treble Clef and he may tell you about it.

How are the Clovers going Mr. Barnett?

Whatever happened to that ghostly (sorry ghostly) dance at Newport?

Believe Normie fired quite well during a tour with Total Fire Band recently.

American group, the Jackson 5 makes us all realise just how far behind some Australian groups are.

Sett have established themselves firmly in Melbourne but they will be returning to Brisbane for a short tour.

Melbourne should have the privilege of seeing Heart and Soul again. Don't you think?

Hans Poulsen has not lost his touch.

Tim Skinner from Channel 9 is making a very determined bid to get up on the throne with Ian Meldrum and Stan Rafe.

Chris St. Nicholas is homesick. He does not like living in the country at all.

Fans of the New Dream are off on a bus tour this weekend.

Randall Bouchier (ex Clack) said he was sick of the young chicks that patronised a certain city discotheque. I wonder why?

Quite a few were impressed with Jacques Lousier.

Sino Guzzardi from Go-Set, has changed banners. Brenda Glover is certainly getting plenty of publicity. But is it the right kind?

Seen at the Top Hat night club last Friday, dining and winning, was Kamahl.

Has Geoff Brookes been having any problems with his boat lately? Geoff's Cave is still IN. Gus McCurio was there last week.

Myers In Gear Shop still features live entertainment now and again.

Local Gossip

FROM WILLIAMSTOWN AND ALTONA

Believe Frankie from Williamstown has a new Tarana. What happened to the Jag?

Robbie is back in Williamstown.

John M. saw Carol with flowers recently.

Andy Camilleri is not scoring too many votes with the Seagulls so far this season.

Brian Gardner came to town last weekend.

John the Baron, lost his voice. Janice was so upset.

Dutchy is road manager for a group so the story goes.

After his meeting with Uncle Bob last week Chris bumped into Kamahl. Too much.

Flugle has been accused of "cradle snatching".

Gillian is still trying to "con" Jeremy but Cyril will not let this happen.

Down and Grunts held their own Love-in recently. Carn the Bulldogs.

WESTGATE JUNIOR RUGBY

Under 12 and Under 16 Tour to Sydney

Mr. Reg White, Manager, and Mr. Peter Atkinson, Ass. Manager, took 40 boys on tour to Eastwood District Junior Rugby Union, where they were billeted for one week.

RESULTS

Matches played at Millner Field:

Monday, May 11 — Under 12 v. Eastwood, lost 22 to nil; Under 16 v. Eastwood, lost 22 to 6. Scores: David Wright, field goal; Roger Atkinson, try.

Wednesday, May 13 — Under 12 v. West Ryde, lost 12 to 6. Scores: Terry Kyriakidis, penalty goal; Ian Douglas, try. Under 16 v. Epping, lost 9 to 3. Scores: Terry Manoussakis, try.

Friday, May 15 — Under 12 v. Hillview, lost 15 to nil; Under 16 v. Hillview, lost 22 to nil.

Mr. John Cullen, Eastwood Rugby Football Club senior coach, watched the games and selected Michael Gurkin from the Under 12's and Paul Robinson from the Under 16's to receive Eastwood jerseys as trophies for the best players from each team.

Mr. Roger James, Hon. Sec. V.J.R.U., was at Eastwood to see some of the games, especially on the look out for promising Under 16's for the V.J.R.U. Under 16 Victorian State side of which he is the coach. This side will play at the Australian Under 16 Carnival in Brisbane in September.

UNDER 14 V.J.R.U. MATCHES

Playing at The Strand, Newport, Altona North Technical School d. Williamstown Tech. School, 3 points to nil.

Scorer: P. Tribe, try.

Playing at Footscray Park, St. Paul's College d. Sunshine Technical School, 27 to nil.

Scores: Tries — D. Moyle, Glen Mitchell, D. McNamara, Noel Jeans 2; Michael Gilmour 2; Goals — David Moyle 3.

NEXT WEEK

Under 14 — Westgate teams v. Power House at Footscray Park at 10.00 a.m.

Under 16 — Westgate teams v. Power House at Footscray Park at 10.30 a.m.

TEN PIN BOWLING

ALTONA CENTRAL LADIES' LEAGUE

Results of games played on May 12, 1970: Roberts' Nurseries, 2, drew with Tucker's TV, 2.

J. Thompson 191, 484 (RN). N. McVeigh 163, 438 (TTV). M.A.D. Homes, 2½, defeated Re-Cars, 1½.

B. Noye 134, 374 (M.A.D.). A. Campbell 164, 464 (RC). Grand Cinema, 4, defeated Carnovale's Pharmacy, nil.

B. Miller 159, 449 (GC). S. Pirth 172, 461 (CP). TX Lemonade, 3, defeated Altona Central, 1.

G. Copeland 167, 442 (TX). N. Beron 169, I. White 408 (AC).

Williamstown CYMS Football Club

FIRST EIGHTEEN v. MENTONE First Quarter

Mentone opened with the wind and had three goals on the board before Town had scored.

Williamstown players all appeared lethargic and were playing from behind.

Only the conversion into goals of a few forward thrusts kept Town in the game.

Scores: Williamstown, 4-0; 24; Mentone, 7-2-44.

Second Quarter

Kicking with the breeze Town failed to capitalise on their opportunities and allowed a very keen Mentone side to take the initiative.

Town was very lucky to be only 11 points down at half-time.

Scores: Williamstown, 7-5-47; Mentone, 9-4-58.

Third Quarter

After a severe roasting at half-time Town came out and produced their best football for the match. Mentone had no answer to the teamwork and dedication of the home side.

Scores: Williamstown, 12-7-79; Mentone, 10-7-67.

Final Quarter

Town opened the final quarter full of confidence and although not playing at their top, raced to a five goal lead.

Final scores: Williamstown, 15-12-102; Mentone, 12-9-81.

Goals: Jones 3, Rieger 3, Zampka 3, Rosenzweig 2, Bunting 2, O'Flynn, Moore. Best: Murphy, O'Flynn, Jones, Black, Hynes, Rosenzweig.

B GRADE v. NORTH ESSENDON

Town finally broke through for their first win in a brilliant effort against North Essendon "B".

With all players combining well and showing great courage and determination Town gradually exerted their superiority over their opponents.

This was a vastly improved effort and it is hoped that B Grade can go on to bigger and better things.

Scores: Williamstown, 9-13-85; North Essendon, 4-2-25.

Best: A good team effort by all players.

WESTGATE GARDEN SERVICE

PHONE: 398-2216

51 ROSE STREET, ALTONA

Centrals Record Fine Win

Central Altona soundly defeated a much improved Williamstown United side (formerly South Kingsville).

The game opened up at a brisk pace with both sides battling hard for the ball.

Centrals, kicking against the strong breeze, notched the first goal of the match through Jeff Lott and Mick Klean had another on the board within minutes. Centrals finished the quarter with a two goal advantage.

in which Centrals held Williamstown United was followed by a superb seven goal burst in the final quarter to seal up the match for Centrals.

Scores: Central Altona, 16-14-110; Williamstown United, 8-6-54.

UNDER 12

West Newport proved a far better combination to defeat Centrals by 17 goals. West played superb wet weather football, backing one another up, shepherding well and kicking to position.

Scores: West Newport, 17-18-120, defeated Central Altona, 1-7-13.

A basket-barn dance will be held at Langshaws Reserve Youth Hall on Saturday, May 30, commencing 8 p.m. There will be many prizes, including monte carlos, lucky spot, etc. B.Y.O. and supper. \$1 per head, children 20c. Every-body welcome.

Williamstown United played well in the second term, matching Centrals in vigor and determination, but strong play from the backline and Jeff Robinson and Murray Sayers turned Williamstown out time and again.

Ron Smutney was beginning to combine well with half-forward John Watkins and enabled Centrals to have a handy three goals lead at half-time.

Centrals class became evident after half-time as every player threw himself into the play. A good third quarter

MAINTENANCE MAN

required by the
MELBOURNE AND METROPOLITAN

BOARD OF WORKS

for employment in the Sunshine-Altona District.

QUALIFICATIONS:

- Applicants must be in sound bodily health.
- Water Supply jointing experience will be deemed an advantage.
- The successful appointee will be eligible for promotion to the position of Leading Maintenance Man, Water Supply, and higher positions in the Maintenance Branch.
- The appointee will be required to reside, where possible, in or near the district, and carry out such overtime and standby as may be necessitated by the work of the district and as required by the Engineer for Maintenance.
- Applicants should preferably hold a current Victorian Driving Licence.

WAGES:

\$55.10 per week (includes \$3.50 Industry Allowance), plus service increments as applicable. In addition, an allowance of two days pay for each complete week of standby worked will be paid. Overtime will be paid for as worked in accordance with award provisions. The successful applicant will be required to equip himself with a bicycle for use in connection with his work. Bicycle and portage allowances of \$1 and 50 cents per calendar week, respectively, are payable in addition to the weekly wage.

APPLICATIONS in writing, quoting Position No. 1765 and stating age, qualifications and experience should be forwarded to reach the Personnel Manager, Melbourne and Metropolitan Board of Works, Box 4342, G.P.O., Melbourne, 3001, not later than NOON on FRIDAY, 22nd MAY, 1970.

IN MEMORIAM

DORRINGTON — In loving memory of Leslie who passed away 24th May, 1960. Also his fond sister Elva who passed away June 6th, 1946. R.I.P.

—Inserted by Auntie Emily Neal and fond cousins Norman and Patricia.

FINN, Marion Elsie — In loving memory of our dear Mother and Nana, passed away May 19, 1968. Time will never take away. The love our hearts hold dear.

Fond memories linger every day.

Remembrance keeps you near.

—Your loving daughter Isabel, son-in-law Frank, granddaughter Noel.

FINN, Marion Elsie — In loving memory of my dear Mother, passed away May 19, 1968.

It's not the words, they are but few.

It's the loving memories I have of you.

—Your loving son Harry.

FINN, Marion Elsie — Loved memories of a dearly loved mother and Nana, who left us on May 19, 1968 at Williamstown.

It only takes a little space. To show how much we loved her.

But it will take the rest of our lives.

To forget the day we lost her.

—Inserted by her loving son Jack, daughter-in-law Merle, and grandchildren Lance, Margaret and Marion.

FINN, Marion Elsie — In loving memory of our dear Mother, passed away May 19, 1968.

God saw you were so weary. He did what was the best. By standing there beside you.

And whispered come and rest.

—Loving daughter Lyla, son-in-law Jack, grandsons John and Raymond and families.

GERRARD, Luch Christina — In loving memory of my dear wife who passed away suddenly at home, May 19, 1968.

Though you fell asleep without goodbye.

My memory of you will never die.

—Loving husband Tom.

JONES — In loving memory of my dear wife, Margaret Catherine, who passed away May 17, 1966.

Loving memories.

—Inserted by her loving husband, Ted.

IN MEMORIAM

JONES — In loving memory of our darling mother and Nana, Margaret Catherine, passed away May 17, 1966. Though absent you are always near.

—Thelma, Ray, Alan and Vicki.

KNIGHT, Alexander — In loving memory of Dad, passed away May 21, 1968.

Always remembered by Mary, George and grandchildren Gordon and Andrew.

LANDER, Albert — 23/5/61. Treasured memories of our beloved husband and father. Always in our thoughts.

—Loving wife and daughter.

PENTREATH — Treasured birthday memories for the 21st May of my only son, Alan Jewell, accidentally killed 30/12/1965.

Always thinking of you, son. Not one day goes by but what I think of you.

You were good to me, also your dear father, Dudley Alan, accidentally killed 21/6/1961.

—Both sadly missed by your loving mother, Sylvia.

PENTREATH — Treasured birthday memories, May 21, of our darling brother, Alan, died result of accident 30/12/65. Aged 20 years.

Words were never needed.

—To say how much we loved each other.

Only we know how much it hurts to lose such a wonderful brother.

Peacefully sleeping with Dad. — Your loving sisters Fay, Joy, Sylvia, June, Pam and families.

REID, George — Passed away May 18, 1967, and his dear wife, Olive, June 11, 1965. Always in our thoughts.

—Olive, Neil and family.

TAUGGE — Cherished memories of my beloved son, Richard, also his dear friend, Peter Dodd.

The heartache is still with us.

And will always stay. May the sunshine they missed on life's highway.

Be there in God's garden of love.

—Loving Mum and brother Norman.

TAUGGE, Richard — In deepest memory of a life-long friend who died by accident on May 21, 1969.

—John and Payne.

BIRTHS

CLARK (nee Reed) — To Judith and Allan a daughter, Diana May, on May 12, 1970. A sister for Benjamin, NEAL (Rudolfson).

LYNNE and Bill a daughter (Belinda Anne) on May 13, 1970 at Williamstown Hospital. Both well. Thanks to Dr. Franks.

DEATHS

DIXON, Charles Frederick — of 35 Oxford St., Newport. Beloved husband of Elizabeth (Dot). Aged 80 years. Rest in peace.

DIXON, Charles Frederick — Of 35 Oxford St., Newport. Devoted father of Mary (Mrs. George), fond father-in-law of Ralph.

Rest after weariness. **HART, Charles** — Wonderful friend of Mavis, Keith, June, Keithie and Dawn.

GILBERT, Lonie Hecta — Passed away May 12, 1970. Loved father of Mavis, father-in-law of Keith, grandpaw of Keith, June, Dawn, Hyne.

ALTONA TENNIS PLAYERS WIN AT MARIBYRNONG

A number of young tennis players from
Altona won their way through to the final
matches at the tournament conducted at
Maribyrnong during the school holidays.

Stephen Whitcross was
partnered by a lad from an-
other club and won the Un-
der 14 doubles event and was
runner-up in both the Under
15 singles and doubles.

Alan Findlay won the Un-
der 13 singles and with Shane
Johnson won the Under 13
doubles.

Greg Whitcross finished
runner-up in the pixi singles.

Also runners-up were Lesley
Hyde and Yvette Robertson
in the Under 16 girls' doubles
and Greg Rowe and Yvette
Robertson in the Under 15
mixed.

Junior Hockey Carnival This Sunday

Twenty-three hockey teams will take the
field at Grant Reserve this Sunday to com-
pete in the largest junior hockey carnival held
in Victoria.

Conducted each year by
the Altona Club the car-
nival is in the form of a
lightning premiership. Teams
winning through the first
round, competing for the
Ford Cup, the principal
trophy, teams losing in the
first round are regrouped
and play off for the Conso-
lation Cup. This ensures that
all teams have at least two
games.

The carnival will com-
mence at 9.15 a.m. and
will continue throughout the
day, concluding with a pre-
sentation of trophies by the
Mayor, Cr. Burns, at approx.
4.30 p.m.

The people of Altona are
invited to come along and
see how well these under 16
boys can play.

HOCKEY RESULTS

The round of A grade
hockey due to be held last
Saturday has been post-
poned while the state team
competes in the Interstate
Carnival in Perth. However,
a practice match was played
against Footscray A Reserve
and Altona, without Bob
Verity, who is away with the
State side in Perth, had an
easy 5-0 win.

C North defeated OEG,
4-1.

Once again Altona proved
their determination to be
undefeated premiers, by tak-
ing over top position on the
ladder from OEG and de-
feating them soundly.

G. Blunt for the second
week put away a penalty
flick to put first score on
the board. Then the whole
forward line started to click
with A. Challis, H. Doerner
and E. McCauley scoring
one each.

Whilst the team is win-
ning well, with a little more
training, better per-
formances could come out.
Best: P. Byrne, K. Robert-
son, I. Bennett.

E North defeated Strath-
more, 3-0.

Altona went into attack
from the first bully and
scored quickly to give Altona
the lead.

After half time Altona
kept up the pressure and
with the two backs using
their weight, gave Strath-
more little chance. Two
more goals to Altona gave

the team an easy win.
Goals: B. Duncan, B.
Waters, S. Hyde.

Under 16 defeated
MHSOB, 5-0.

Altona, determined to
win, were constantly in at-
tack and as a result were
3-0 up at half time.

Playing a kicking back
the defence proved too
strong for MHSOB and gave
them few chances to score.

After half time another
goal resulted for Altona
from a good pass from E.
Richardson on the right
wing.

Finishing the game
strongly, a further goal was
scored, to give Altona an
easy win.

Goals: C. Bruce 4, J.
Forrester 1.

Best: S. Jensen, C. Bruce.

Under 14 drew with
MHSOB, 2-2.

Altona played their best
hockey for the season when
they drew with undefeated
MHSOB.

Westside Players Coming To Altona

Don't miss the oppor-
tunity of seeing the West-
side Players at the Altona
Presbyterian Church, Civic
Parade, on Sunday, May
31 at 7 p.m.

Everyone is invited to see
two productions by this
dramatic group.
Their productions always
have a thought-provoking
message. It is a wonderful
experience in worship.

The locals started well
and attacked continually
but it was MHSOB who
scored first.

This was quickly replied
to by S. Smith for Altona.
The game transferred
quickly from end to end
until MHSOB netted their
second goal. M. Burgess
equalised for Altona when
he picked up a pass from
G. Brown and passed the
goalie, into the net.

Best: R. McCauley, M.
Burgess, S. Smith.

Under 12 were defeated
by Croydon, 2-0.

IMPORTANT!

Engine Driver's Certificate, are invited to fill the
vacancy of Engine Driver on the Steam Ferry.

Shift work is involved between 5.15 a.m. and
9.15 p.m., and overtime is payable for hours worked
in excess of 40 hours per week.

Current wage rate is \$69.22 for a normal 40
hour week. Four weeks' Annual Leave is applicable.
Council will give consideration to employing an
active, retired person.

Intending applicants may interview the Ferry
Engineer (Mr. R. Cain) at the Steam Ferry, between
8 a.m. and 5 p.m. weekdays, for further in-
formation.

J. E. MORLEY,
Town Clerk and Manager.

SPRINGVALE HOLD ALTONA CITY IN SOCCER

Springvale's goalkeeper was responsible for his team being able to salvage a draw against Altona City. He made many superlative saves and on at least six occasions stopped certain goals.

Hail, rain and a gusty wind made conditions hard for good play yet Altona City served up a real good brand of soccer and how they dominated this game had to be seen to be believed.

With man to man passing, and quicksilver moves, Altona are certainly a great side yet the Springvale keeper had an answer to everything the Maroons had to offer with his uncanny judgment. He stopped Savage, Van Ypern and King from scoring, all at point blank range.

Tommy Kearn, getting better with every game, was a bundle of energy and with Ian Hynes again bottling up the middle and Copley and Ormrod keeping the winger in check, it was one-way traffic.

Jimmy Ackers and Chris Karamatos kept up a constant supply of passes and Loughron engineered many slick moves, and not even the most enthusiastic Vale supporter could have complained if Altona had held a two goal lead at the interval, yet it proved to be a scoreless first half.

The second half saw Altona put on more pressure. Twice they scored what appeared to be good goals, but the referee chalked them off.

Hynes, Savage and Van Ypern all had great scoring efforts thwarted by a goalkeeper who was in tremendous form.

Having seen games like this before it was obvious what was going to happen and it did. Springvale broke away and slammed the ball past a diving Roberts for goal No. 1.

Altona were upset by this breakaway goal, and lost a little of their poise. Copley and Keane harnessed them up again but it was the same story. It didn't matter where they shot from, even one yard out, the Vale goalkeeper stopped the ball—what a performance! The Altona supporters were even applauding this valiant effort and to rub salt into the wound Springvale broke away again and shipped goal No. 2 into the net with only 10 minutes to go.

At long last the constant pressure by Altona paid off as Savage and Van Ypern worked their way through a penalty was awarded to Altona. Roy King made no mistake as he whipped the ball home.

Players were tired and it was going to be a hard last few minutes. Loughron was still dangerous and strong goals by Savage and Keane gave the Altona supporters a glimmer of hope.

Copley was the inspiration as the Maroons forged on. Then came the equaliser with Billy Savage the scorer—what a fightback after being two goals down.

Altona are now one point behind the leaders.

RESERVE XI
The Reserve XI came unstuck when they lost by two goals to nil. Things were made hard at keeper Marley Kinden finished up in hospital and the ten men left just didn't get going.

Next week will be a big day at Kim's Reserve, Altona, where Box Hill will provide the opposition in the fourth round of the Dockerty Cup. Box Hill is the current leader in Division I and Altona owe them a hiding as Box Hill thrashed Altona 4-0 at Box Hill in the League game.

The Reserve XI play Juventus in the second round of the Harry Armstrong Cup. Juventus are current leaders in the State League and Altona will be hard pushed to win this one.

JUNIORS
UNDER 14

Saturday saw Altona Under 14's at home to JUST and it turned out to be their hardest game of the season.

Altona scored early in the game only to see JUST equalise. But before half-time Altona scored again to make it 2-1.

In the second half Altona got on top for a while and had a 4-1 lead before JUST came again to make it 4-3 and it took Altona all they knew to save the game.

Westona Little Athletics

At the Altona Centre's Annual Meeting held at Seaholme School Library last Thursday night, five Westona committeemen were elected to positions on the Centre's Executive.

Congratulations go to these men who work so hard for the club and still find time to work for the Altona Centre.

Cross Country training is on Monday nights at 5.30 p.m. from Altona West Primary School.

All ticket money for the Progressive Dinner should be in the hands of Mrs. Clark, 6 more goals and it could have been a much bigger score if they had been much steadier.

B. Saxton had a good game as did Micheski in the second half and K. Armstrong in goals.

UNDER 13
Altona played Our Lady's at home on Sunday and they had an easy game to win by 13 goals to nil.

It took Altona a while to settle down but once they got going Our Lady's were no match for them. The wet weather did not help the teams to play good soccer but Altona did quite well.

Best for Altona were R. Kinkel, M. Vanderpoel, S. Burgess and F. DeGorio.

UNDER 11
Altona, playing away to JUST, were very unlucky not to collect both points as they led 1-0 for most of the game and the match was allowed to go 7 minutes over which let JUST equalise to make the score one goal each.

Reilly scored Altona's goal and the best players were Reilly, Plessa and P. Totney. This week Under 10's play their first game.

Trots Night
A trots night will be held on Saturday, June 13 in aid of the Altona City Football Club.

Tickets \$10 per double includes entrance, 3-course meal and drinks. Please support your football club.

Tickets are now available from N. Drew, secretary, 20 Fresh St. Altona, or A. Thompson, 61 Grieve Highway, Altona.

SPORTING CLUBS MEET COUNCIL

Representatives of the Kororoit Stars Cricket Club, Altona City Football Club and Altona Cricket Club met the council's General Purposes Committee earlier this month to discuss the club's reserves.

Members of both Altona City Football Club and the Altona Cricket Club discussed improvements to Grant Reserve.

Mr. Lee, representing the Football Club, asked Council to provide a temporary method of closing off the ground to allow traffic to be directed from the main access, enabling a charge to be made.

He pointed out that if some means of raising finance was not found it would probably be impossible to maintain the football club in Altona, despite the fact that the club could possibly win three premierships this season.

The club suggested that the Council consider stopping access to the ground from the eastern side because of the muddy condition of the road. The club said this would also assist its aims to have access from one side only to facilitate the collection of charges.

The club also asked that flood lighting be provided, a broken goal post be replaced, and a signboard, similar to that placed on Kim Reserve for the Soccer Club, be erected on the Civic Parade frontage, perhaps in the vicinity of the Girl Guides Hall.

Both the Cricket Club and the Football Club sought alterations to the existing

storeroom/canteen, and the Cricket Club referred to its previous request for a concrete apron at the southern entrance to the pavilion.

The Cricket Club also asked that wire protectors be placed on the pavilion windows.

The Council asked the City Engineer, Mr. R. Simmons, to report on the cost of improvements suggested by the clubs. The goal post will be replaced immediately.

Kororoit Stars Cricket Club met the Council committee to discuss the future use of Langshaw Reserve, which it shares with the Williamstown and Altona Colts Cricket Clubs.

The deputation said that, because of difficulties with practice arrangements for two teams and the possibility of the formation of a junior side with the Altona North Technical and High School students, the club was applying to use the reserve for all teams to consolidate, and build the club in the Altona area.

At present one senior side uses the Strand Reserve, Williamstown.

The club said it would be willing to introduce "Altona" into its name.

Council will forward the club a copy of its standard lease for information.

Basketball

A Grade defeated Holy Trinity, 34-15.

This team has not been defeated this season in A Grade and are continuing the strong play which made them A Reserve Premiers.

B Grade lost to Yarraville Cong.-Pres.

This was a real team effort by these girls. After leading at three-quarter time the team was beaten by three goals.

C Grade defeated Wood St. (2), 30-1.

A much improved team from last season, this young side will have a good season.

Jayne Dryden played well in her first game.

Saturday's Games
A Grade v. Wood St., at Newport Primary, 1.45 p.m.

A Reserve v. Newport Baptists, at Seaholme Primary, 3.15 p.m.

B Grade v. Williamstown C. of C., at North Primary, 3.15 p.m.

B Reserve v. Wood St., at Seaholme Primary, 1.45 p.m.

C Grade v. Gospel Mission, at Seaholme Primary, 3.15 p.m.

Altona Pirouette's Presentation Night

Synchronised swimmers displaying their trophies are (left to right) Teresa Klampff, Cheryl Rivett, Kerry Eustace, Shirley McCulloch and Sue Antonoff.

The first presentation night of the Altona Pirouette Amateur Synchronised Swimming Club was held earlier this month in the Methodist Church Hall.

President Mr. Bruce Antonoff compered the evening during which the following awards were presented:

Mr. Brian Eustace representing the V. A. S. A. presented Victorian Championship Medallions to Junior Solo.

1st Kerry Eustace; Junior Teams 1st Kerry Eustace, Sue Antonoff, Fiona Roberts and Judy Lockwood; 3rd Yvonne Millichip, Teresa Klampff, Shirley McCulloch and Cheryl Rivett.

Mr. Laurie Robinson of the Broadmeadows A. S. C. presented: Junior Duet 1st Kerry Eustace and Sue Antonoff, Senior Teams 2nd Kerry Eustace, Sue Antonoff

UNDER 16 FOOTBALL

In bad conditions of Altona ground, Altona could only kick one goal against Newport in the first quarter.

The goal was kicked by Westhorpe for Altona. Newport could only kick one point.

It was a battle between the defences.

Best players in 1st quarter: Westhorpe, Featherby, Churchill.

With a terrific 2nd quarter by Altona with fast, open, determined play they went right away from Newport.

Players such as Featherby, Churchill, Marsh and Groves all kicking goals put Altona well in front.

A good team effort by all players from Altona. A new boy from Altona, C. Mead, made his presence felt. Altona rucks in Marsh and Healey burnt for Altona.

The third quarter was another good one by Altona. Playing hard-hitting football players such as Churchill, Featherby scored goals.

Altona's half-back line was in luck, Hancock and Cook holding Newport out repeatedly.

Russell, moved to the back pocket, started playing straight-through football.

All players for Altona played as a team in the last quarter and went away from Newport.

Final score: Altona 13.9, Newport 1.1.

Fiona Roberts and Judy Lockwood. Club Championship trophies presented by Mr. Antonoff 1st Kerry Eustace, 2nd Fiona Roberts 3rd Sue Antonoff.

The Friedl Spacek Perpetual Trophy for overall points gained by competitors during the year was presented by the Donor to: 1st Kerry Eustace, 2nd Sue Antonoff, 3rd Fiona Roberts

Re-Visit Malta by Charter Flight

A group of Maltese migrants planning a charter flight on June 15 for a three months stay in Malta had a get-together on Saturday night in the Civic Hall.

Flying out on a Quantas Boeing 707 will be 164 people who have paid \$564 for an adult return fare which normally costs \$1180. Children from two to twelve years pay half fare.

This will be the third flight organized by the St. Paul's Migrants' Association and the fourth will leave in December.

English, Yugoslav, Italian and Greek people have flown on these flights to Malta. The Association was the first organisation to arrange a charter flight, it left in June, 1968.

Any interested members of the public can participate. Organiser for the Association is Mr. Martin Sultana of 13 Davies Street, Altona (398 2767).

Treasurer, Mr. Jos Muscat of South Kingsville, said "The flights are very important" they bring within reach the possibility of visiting home and seeing their loved ones. Maltese families are often big families who would have no hope without charter flights.

"Some migrants get a bit homesick. It is found that often a trip home brings them to realise they are doing well in Australia and they get a new enthusiasm for their adopted country."

Koorringal Associates

Results of the Stableford competition held on May 19:
A Division — I. Oatway (17), 34 pts.
B Division — M. McAuliffe (25), 35 pts.

C Division — M. Cox (33), 39 pts.

Altona City Football Club

ALTONA CITY REBELS U.18 v. ALTONA CITY U.18
Playing on the old ground, the enthusiastic crowd were treated to a pacy, skillful game.

Rebels ran out winners by 8 points after rallying in the third term to lead by 2 goals. Inaccurate kicking by City forwards under pressure could only net 1-5 with the wind while Rebels kicked 1-2 against it in the third term.

Many interesting duels developed throughout the game but the overall determination and team play of Rebels combined with a dogged defence kept City at bay long enough to win.

City seemed to be winning in the air but Rebels dictated play once the ball hit the deck. Rebels gained a well-deserved win over the top side.

Goals: S. Chatfield 2, K. Dern, J. Hampton, W. Patton, W. Groves, N. Courtot.

Best: R. Gordon, K. Moylan, R. Morgan, W. Patton, J. Rosenboom, P. Tyrell.

Rebels Goals: K. Haining 3, M. Beer 2, R. Scarff, G. Nowell, G. Blokeerrus, H. Zapart.

Rebels Best: I. Hardham, G. Wilson, S. Grainger, R. Pratt, G. Blokeerrus, H. Zapart.

This week Altona City Under 18 v. Newport West, Laverton Under 18 v. Altona Rebels.

Altona Camera Club

At the Camera Club's meeting held last Friday members were taken visually on an exciting tour of the Continent from India's Khyber Pass to the most northern parts of the Scandinavian countries.

John Holland recently returned from this exciting trip and gave a most descriptive commentary. Members are looking forward to more of this trip in a month's time.

An inter-club competition has been arranged between Footscray, Williamstown and Altona Camera Clubs. This will be held in the Footscray Town Hall on Thursday, May 28, at 7.30 p.m.

Altona members are requested to bring prints and slides for election to the next meeting on Friday, May 22. The entries for Night Scene are to be handed to the Print Steward this week also.

Don't forget that the June theme is "Wet Weather!" An Agfa Slide Lecture has been arranged for this week. The title is "German Photography Today."

The Altona Camera Club meets every Friday of the month (except the first) in "The Homestead," Queen Street, at 7.30 p.m. Ring the President, J. Merrills, at 398-1957 for further information.

Jetty Lights

The Ports and Harbors Division of the Public Works Department is at present investigating light beacons on jetties, Altona Council was told last week.

The investigations will find if improved street lighting affects the visibility of jetty light.

The Division told Council there was no evidence that the flare at Altona affects shipping in the bay and it was of minor importance as a navigational aid. It said investigations could not substantiate a report that the flare had been mistaken for a ship on fire.

Council has referred the report to its General Purposes Committee.

Cr. C. W. Carlsson said the Division could not have asked questions in the right quarter when it found the flare could not be confused with a ship fire.

Bowlers Want New Clubroom

Altona Bowling Club has been asked to submit to Council its proposals for developing a new clubroom on the site at present occupied by tennis courts.

A deputation from the club told Council's General Purposes Committee that, after the club's first nine years in operation, present facilities were becoming limited. The deputation sought Council's reaction to a plan to relocate the tennis courts and use the site for new clubrooms.

The club's committee is concerned that Altona's population increase in the next 10 to 20 years will make facilities inadequate.
